TERTIARY HISTORY OF THE GRAND CAÑON DISTRICT

by Clarence E. Dutton

with new introduction by Wallace Stegner

An exquisite reprinting of the "bible" of the Grand Canyon area—"a wise book surviving from an earlier time"—including the full color folio-size atlas, out of print for 95 years and considered one of the most beautiful books ever published.

"Dutton first taught the world to look at that country and see it as it was."

Printing edition limited to 1500 copies. \$175.00 per set.

Available in book stores or direct from:
